This is an administrative question on which II Branch has no thing to note. As Subd Dr Vasudeva Rau's annual instalment, payable by fort- 30·7·15. is nearly 3,000 l as he has already got some instalments over due. it will not be sufficient if he undertakes to repay only the current instalment. He will have to pay at least something Rs 1,000 towards the over due instalments - The proposal may be sd with the remark that he should repay not Rs 3,000 but Rs 4,000, this time so that fort may get some benefit for ~~to~~ giving up its claim over the standing crops.
